TUSCANYGLEN HIGH

Grade 9-12 Matric

- I started at Tuscany Glen in gr9 and finish my matric there.
- I was a prefect in my last year.

April, 2020 - October 2020

LIFECHOICES ACADEMY

Web Developer and Programing Course

- This was the first time I learn to code and to program.
- I learned many coding languages and many other skills to use in a work environment.
- This was more than a coding course with all the knowledge that I learned and the friends that I made.

WORK EXPERIENCES

Sep, 2019 - 2020 March

Huawei Somerset West

Sales Person

- I worked for Huawei as my first job straight out of school.
- This was to feel how it was to be in a working environment.

October, 2020 - Present

LIFECHOICES STUDIO INTERN

Front-end Developer

- I got the opportunity to work in the LC studio after the learning course.
- This was a good experience for me to learn how everyday developers work, and to feel how to work in a team.
- This helped me work on my teamwork skills and communication skill.
